

# Create Your Own Zine!

Name: \_\_\_\_\_ Date: \_\_\_\_\_

**Instructions:** Write a short narrative explaining the media message you chose or created for your zine. Answer the questions fully with details and examples.

Describe the medium of your message (for example: magazine, video, podcast, social media post). How does this medium affect how the message is received?

---

---

---

What is the content or main idea of this media message? Explain it in your own words.

---

---

---

Who do you think created this media? Why do you think so? What might their purpose be?

---

---

---

Identify one important choice the creator made while constructing the message (such as tone, images, language, or style). How do you think this choice impacts the audience?

---

---

---

Optional: Plan out your Zine using the template on the back!
